Beloved of God,

“In everything give thanks: for this is the will of God concerning you in Christ Jesus” (Thes 5:18.) Everything in our life is a gift, “for what do we have that we have not received.” It is through our thanksgiving to God that we transform the good *and* the bad things in our lives into the mystery our eternal salvation. According to the Holy Fathers, thanksgiving to God for all things intercedes for our weaknesses and makes up for our infirmities before the Lord. The greatest gift to give thanks for is the incarnation of our Lord, God, and Savior Jesus Christ Who is the Life and Light of all. It is God Himself Who comes to us again in the flesh this Nativity to meet us during the darkest time of the year, bringing us the greatest and eternal light. Thanksgiving is the gift that we can offer back to God for all of His gifts, especially that of the incarnation. It is only through thanksgiving that we can hope to not only transform our current state regardless of what is happening, but also through it God bestows on us even more gifts because of our gratitude. In every season of our life, let us give thanks to God. With every joy in our life, let us give thanks to God. In every trial and tribulation, let us give thanks to God, because through this we will improve our state and through this God will bring about the greatest miracle of all, our eternal union with Him which saves us for all eternity. May the Lord who comes to be born in a cavern for us and for our salvation renew, bless and strengthen us all to meet Him with thanksgiving this year for all things and most especially for the greatest Gift which is God Himself.

With much love  
In the new born Christ,

Archimandrite Sergius  
Abbot of St. Tikhon's Monastery
